**UTTAM GROUP OF INSTITUTIONS** is a pioneering group in the field of professional education. It is running UG and PG programs in Management Information Technology and Biotechnology.

Professional Education has witnessed mushrooming of institutions. The supply has overtaken the demand by manifold. Quantity has led to deterioration in quality. The future belongs to institutions who believe in imparting the qualitative education, practical training and placements. Uttam Group of Institutions has been emphasizing on all these since its inception and the results also testify our vision.

The word "INSTITUTION" has larger connotations. UGI recognizes that an educational institution has a pivotal role in educating the society alongside the students enrolled with it.

The secret of Education lies in.....  
Making the Students  
learn to respect themselves.

## What will an education at UGI give you ?

An ability to think analytically and critically.  
The power to transform challenges into opportunities.  
A sensibility that differentiates between just making a career and having a sense of vocation.

A capability to assume leadership of initiatives of social transformation.  
A commitment to harmonizing excellence with humanism.

## Teaching Methodology

At UGI, the faculty is encouraged to try a variety of teaching methods that provide a comprehensive as well as flexible approach for the development of its students.

Through constant exposure of cases, students learn to differentiate one situation from another and to appreciate the uniqueness of the given situation.

UGI places great emphasis on the case study as an analytical tool as it helps the students to confront and diagnose specific management issues and suggest reasonable plans of action.

## Reasons to join UGI
